Kwinana residents deserve a committed representative who will ask the hard questions and push for outcomes driven by the values and expectations of the community.

I am a passionate, long term resident of Medina. In my early 20's I founded FREAK FEST Youth Arts Festival and many other community driven initiatives that brought people together to celebrate our unique identity. Kwinana's strong community spirit captured my heart and I established a home and life here.

For 25 years I have been a professional in the not-for-profit and local government sectors. I have the skills to draw out the diverse perspectives of the community to inform decisions that deliver tangible economic and social outcomes.

I stand as an authentic community voice, who will champion small business, our natural environment, financial responsibility and stronger communication between the City and ratepayers.

I am a vocal community member and will work to ensure council delivers outcomes that we can all be proud of.
