For the past decade, I've served as Deputy Mayor alongside Mayor Carol Adams.

My time on Council has taught me the importance of strong leadership, commitment, and dedication. As a long-term local living here in Kwinana, I understand the challenges faced by our community.

Safety is paramount. I'll push for more innovative community safety programs, working closely with police to make our neighbourhoods safer for our families.

Councils should only spend within their means, so that we can keep rates as low as possible for households and relieve cost of living pressures. I'm committed to sustainable practices, eco-friendly projects and getting the balance right between good development for our community and protecting our beautiful natural surroundings.

Our city deserves top-notch community facilities. I'll make sure Council provides high-quality, accessible facilities. I'm asking for your support at the election, together, we'll make our community safer, stronger, and more prosperous.
