I have the experience and knowledge needed for Council decisions. I always work hard to achieve the transformation of our City with new sporting facilities, community centres and local business growth. I am thoughtful in decision making, fair minded and practical.

It is important that residents and businesses have a Councillor who listens and takes their concerns to Council.

Our growing and diverse community requires strong advocacy on their needs and to improve consultation on important issues. I will always advocate for more equal division of resources throughout our City.

I have lived in Kwinana for over 40 years, teaching at a local school for 13 years, plus running a small business. I am a RSL and a Lions member, on the Citizen's Advice Bureau Board plus other community committees.

If re-elected, I believe the City will continue to benefit from my approach and experience. I have many plans for our future and I will continue to act with integrity, accountability and dedication.
