### **12.1 Management of Sloan's and Smirk's Heritage Sites**

#### **DECLARATION OF INTEREST:**

There were no declarations of interest declared.

#### **SUMMARY:**

Kwinana Heritage Group has been the custodian of Sloan's and Smirk's Heritage Sites since the early 1990's, maintaining, conserving and promoting these sites of significant cultural heritage to the Kwinana community. Due to the diminished volunteer capacity, Kwinana Heritage Group have contracted their activities back to Smirk's Heritage Site. A Business Plan to provide direction for the future management and development of these heritage sites has been prepared, recommending continued community management of the sites, with support from the City of Kwinana. To that end, this report recommends entering into a new Agreement with the Kwinana Heritage Group for the Management of Smirk's Heritage Site, and advertising for Expressions of Interest from properly constituted community organisations for the management of the buildings located at Sloan's Heritage Site.

#### **OFFICER RECOMMENDATION:**

That Council:

1. Authorise the Chief Executive Officer of the City of Kwinana to negotiate a new Management Agreement with the Kwinana Heritage Group Inc for the management of Smirk's Heritage Site. The new Management Agreement is to outline the community benefit to be realised from the conservation, management and use of the City's cultural heritage assets located at the Smirk's Heritage Site, and include appropriate key performance indicators and reporting mechanisms for reporting on outcomes to the City, on a regular basis. A report seeking approval to enter into the new Agreement is to be presented to Council at the conclusion of the negotiation process. -
2. Advertise for Expressions of Interest from properly constituted community organisations engaged in activities consistent and compatible with the purpose of Sloan's Cottage and Sloan's Heritage House, to manage the facilities for community benefit, with a report to be presented to Council on the outcome of the Expression of Interest process.

#### **DISCUSSION:**

Since the early 1990s the Kwinana Heritage Group (incorporating Sloan's Reserve Restoration Group) has been the custodian of two of Kwinana's significant heritage sites, Sloan's Heritage Site in Leda and Smirk's Heritage Site in Medina.

## **12.1 MANAGEMENT OF SLOAN'S AND SMIRK'S HERITAGE SITES**

Sloan's Reserve is a parcel of land bordered by Wellard Road and Sloan Drive. Sloan's Reserve incorporates a restored limestone cottage (Sloan's Cottage) and a second building, Sloan's Heritage House, which is an example of a 1950's worker's cottage transported from Medina.

Smirk's Heritage Site is on a small parcel of land bordered by the City of Kwinana's Works Depot in Beacham Crescent, Medina. It includes the limestone cottage (Smirk's Cottage) which functions as a museum, the restored Soldiers Cottage, a building donated by Alcoa which houses the Collection, and sheds where a variety of moveable heritage items are stored.

Both Sloan's Reserve and Smirk's Heritage Site are vested with Council. However, the Kwinana Heritage Group were given responsibility for the management of both sites in the early 1990's for the purpose of preserving and promoting Kwinana's heritage. Various management agreements have been in place since then to guide the relationship and outline the roles and responsibilities between the then Town, now City of Kwinana and the Kwinana Heritage Group.

In 2006 the then Town of Kwinana commissioned a review of the management arrangements surrounding the various properties in order to further clarify roles, responsibilities and expectations. The prime recommendation from the review was that all existing management agreements should be amalgamated into one overarching agreement encompassing all buildings situated at both heritage sites. This subsequently occurred in 2008, with one agreement covering both sites being developed. This Agreement has since been reviewed and a new Agreement covering both sites was executed in 2015. The current Agreement expires on 30 June 2020 and provides for a further term of 5 years, to 30 June 2025.

In terms of managing the sites, the current Agreement allows for the Kwinana Heritage Group to:

- Preserve the heritage value of the Cottages and promote the use of the Cottages by the community;
- Accept and co-ordinate bookings for the use and hire of the various facilities within the Cottages by individuals or groups whose intended use is consistent and /or compatible with the purpose of the Cottages;
- Manage the Collection;
- Clean, repair and maintain the Cottages;
- Maintain the grounds.

The Agreement also makes provision for a \$10,000 subsidy to be paid to the Kwinana Heritage Group by the City of Kwinana to cover the cost of activities.

In 2014 a community group, Kwinana Community Share (now known as Kwinana In Transition), emerged and members joined the Kwinana Heritage Group in order to establish a community garden at Sloan's Heritage Site and undertake workshops and activities using sustainable practices at Sloan's Cottage.

Over the past two years the Kwinana Heritage Group have experienced dwindling volunteer numbers and through lack of volunteer capacity have had to retract their activities back to Smirk's Heritage Site.

### 12.1 MANAGEMENT OF SLOAN'S AND SMIRK'S HERITAGE SITES

The situation with the management of the two sites currently is that Kwinana Heritage Group are managing and maintaining Smirk's Heritage Site, however no longer have the capacity to manage Sloan's Heritage Site as per the current Agreement with the City of Kwinana, and Kwinana In Transition are undertaking limited activities at Sloan's Heritage Site as volunteers of the City of Kwinana.

In order to resolve the governance issues this situation presents, the City of Kwinana commissioned the development of a Business Plan to guide the strategic direction for the development and management of these two significant cultural heritage sites, including the updating of the Conservation and Management Plans for the sites.

The Business Plan sets out a strategy to facilitate the ongoing use of the sites in a business context whilst still conserving and managing the cultural heritage significance of the places.

It outlines five key goals:

- Improve governance at a macro and micro level to create transparency and certainty in operations;
- Maintain and conserve the places with due regard to their cultural heritage significance;
- Enhance the presentation and interpretation of the places and associated collections to enhance understanding of Kwinana's history and heritage;
- Identify and make visible to relevant audiences the unique characteristics of Kwinana's history and heritage;
- Develop memorable and distinctive experiences based on authentic interpretation of the Kwinana History and Heritage Collection.

The Business Plan makes 75 recommendations in total covering the areas of governance, place and setting, collection management and interpretation, marketing and promotion, and visitation.

The top five enabling changes the Business Plan recommends are:

- Matching the activity to the heritage site at which it is being undertaken so as to adequately manage and conserve the exceptional cultural heritage significance of the places for the community of Kwinana.
- Enhancing use of the sites in terms of visitor amenity, setting, wayfinding, access, and interpretation.
- Co-ordination of activities between heritage places.
- A brand name and simplified badging to encompass both of the sites. Promotion of the sites within Kwinana's historical and heritage context.
- Enhanced and more comprehensive interpretation with distinct storylines and opportunities for self-guided understanding of the places and associated settings.

In terms of the future management model for the heritage sites, the Business Plan recommends continued community management of both sites by groups engaged in activities compatible with cultural heritage conservation, preservation and interpretation, with support from the City in the areas of capacity building and knowledge sharing, marketing and promotion and governance.

## 12.1 MANAGEMENT OF SLOAN'S AND SMIRK'S HERITAGE SITES

The Business Plan further recommends a separate management agreement for each group involved in the management of the places – including clearly articulating “community benefit through cultural heritage” in the agreement. The Plan recommends the setting of achievable goals for each group/place, and the establishment of monitoring and reporting mechanisms to assist groups to secure appropriate funding levels.

In light of the recommended management model, and the current capacity of the Kwinana Heritage Group outlined above, this Report recommends that Council enter into a new Management Agreement with the Kwinana Heritage Group for the management of Smirk's Heritage Site. The new Management Agreement should outline the community benefit to be realised from the conservation, management and use of the City's cultural heritage assets located at Smirk's Heritage Site and include appropriate key performance indicators and reporting mechanisms for reporting on outcomes to the City, on a regular basis.

This Report further recommends that Expressions of Interest be called for from properly constituted community organisations engaged in activities consistent and compatible with the purpose of Sloan's Cottage and Sloan's Heritage House, to manage the facilities for community benefit. Such uses could include, for example, arts studios, community workshop spaces, craft groups. After assessment of the Expressions of Interest received, a report is to be prepared for Council to consider the outcome of the Expressions of Interest process with respect to identification of suitable groups.

### **LEGAL/POLICY IMPLICATIONS:**

Sloan's Reserve, Class A Reserve 25132 is set aside for 'Parklands and Recreation' and is managed by the City of Kwinana for the designated purpose of 'Park Land and Recreation'. Whilst the City does have the power to lease over this reserve, such powers are limited to purposes ancillary or beneficial to the reserve purpose only. The use of the reserve (and the buildings) for residential purposes falls outside of the purpose of Reserve 25132, hence Sloan's Heritage House, for example, cannot be leased as a residential tenancy.

### **FINANCIAL/BUDGET IMPLICATIONS:**

The cost of advertising for Expressions of Interest is estimated to be \$500 and this amount is proposed to be funded from the Heritage Expenses budget allocation in the Community Engagement area.

It is proposed to enter into a new Agreement with the Kwinana Heritage Group for the management of Smirk's Heritage Site. The new Management Agreement will outline the community benefit to be realised from the conservation, management and use of the City's cultural heritage assets and include appropriate key performance indicators and reporting mechanisms for reporting on outcomes to the City, on a regular basis. The intention is to retain the provision of a \$10,000 subsidy to the Kwinana Heritage Group by the City of Kwinana (provided for in the current Agreement) to assist with the costs incurred by the Group in managing the heritage assets and grounds located at this site. The Museum and Collection are housed at this site which incur collection development, interpretation and management costs, and grounds maintenance costs are high given the visitation levels to the site.

**12.1 MANAGEMENT OF SLOAN'S AND SMIRK'S HERITAGE SITES**

Maintenance requirements for Sloan's Heritage Site will be managed within existing City of Kwinana budget allocations. Community groups expressing an interest in operating from the buildings will be required to self-fund their activities.

**ASSET MANAGEMENT IMPLICATIONS:**

Conservation and Management Plans have been recently updated for both Heritage Sites and recommendations have been factored into relevant Asset Management Plans.

**ENVIRONMENTAL IMPLICATIONS:**

There are no environmental implications as result of this report or its recommendations.

**STRATEGIC/SOCIAL IMPLICATIONS:**

This proposal will support the achievement of the following outcome and objective detailed in the Strategic Community Plan.

Plan	Outcome	Objective
Strategic Community Plan	A sense of place and heritage	1.8 Respect and promote Kwinana's unique heritage

**COMMUNITY ENGAGEMENT:**

The development of the Business Plan for Kwinana History and Heritage – Smirk's and Sloan's Heritage Sites involved consultation with affected groups such as Kwinana Heritage Group and Kwinana In Transition, as well as the hosting of two community visioning workshop sessions. The general community were invited to participate in and contribute to these sessions and the feedback provided was used to inform the development of the recommendations included in the Business Plan.

**PUBLIC HEALTH IMPLICATIONS:**

Implementation of the recommendations of this report could result in increased community connection and sense of community belonging by individuals and groups engaging with Kwinana's history and heritage, and increased levels of volunteering, which are all factors that impact positively on people's health, particularly their mental health.

**RISK IMPLICATIONS:**

The risk implications in relation to this proposal are as follows:

Risk Event	Management of Kwinana's heritage sites is compromised.
Risk Theme	Ineffective management of facilities/venues/events

## 12.1 MANAGEMENT OF SLOAN'S AND SMIRK'S HERITAGE SITES

### 15.1 Objection unless Specified Conditions are met – Fireworks Event Notices – Perth Motorplex, Kwinana Beach, Kwinana Motorplex Fireworks Displays, Saturday, 8 December 2018, Saturday, 23 February 2019

#### DECLARATION OF INTEREST:

There were no declarations of interest declared.

#### SUMMARY:

Applications to hold two separate fireworks displays at Perth Motorplex, Kwinana Beach were received on 6 September 2018 from Cardile International Fireworks Pty Ltd. There are two main motor racing events taking place on Saturday, 8 December 2018 and Saturday, 23 February 2019. These will be supported by fireworks from 10:00pm to 10:30pm, which is outside the 'preferred hours' specified in the Fireworks Event Notices.

The two applications are referred to Council due to delegated authority matters relating to the *Dangerous Goods Safety Act 2004* (the Act) as advised by the City's Lawyers and Governance Services.

The applicant is seeking acknowledgement from the local government to hold the fireworks display events as part of the requirement under the Act and its subsidiary regulations in order to lodge an application with the Department of Mines, Industry Regulation and Safety (DMIRS) – the approving agency.

It is being recommended that the events be objected to unless specified conditions are met, as per the requirements of *S148(6)(b)* of the Act.

#### OFFICER RECOMMENDATION:

That Council:

1. Authorise the Chief Executive Officer to sign the Fireworks Event Notices as per Attachment A from Cardile International Fireworks Pty Ltd for the Kwinana Motorplex Fireworks Displays on Saturday, 8 December 2018 and Saturday, 23 February 2019 on behalf of the City of Kwinana (the Local Government) with objection unless specified conditions are met.
2. Authorise the Chief Executive Officer to sign the letter of objection unless specified conditions are met as per Attachment B to Cardile International Fireworks Pty Ltd for the two Kwinana Motorplex Fireworks Displays on Saturday, 8 December 2018 and Saturday, 23 February 2019 on behalf of the City of Kwinana (the Local Government).
3. Authorise the Chief Executive Officer to sign the Fireworks Event Notices as per Attachment A, from Cardile International Fireworks Pty Ltd for the Kwinana Motorplex Fireworks Displays, on behalf of the City of Kwinana (the Local Government) and the letter of objection unless specified conditions are met as per Attachment B on behalf of the City of Kwinana (the Local Government) where the events are rescheduled to another date and time due to inclement weather.

**15.1 OBJECTION UNLESS SPECIFIED CONDITIONS ARE MET – FIREWORKS EVENT NOTICES – PERTH MOTORPLEX, KWINANA BEACH, KWINANA MOTORPLEX FIREWORKS DISPLAYS, SATURDAY, 8 DECEMBER 2018, SATURDAY, 23 FEBRUARY 2019**

**DISCUSSION:**

The Perth Motorplex venue generally holds up to five approved firework events each motor racing season between October and April. There have been no reported incidences of impact on spectators or surrounding properties from previously approved firework events. The previous firework events have been contracted to various licensed firework contractors including the current applicant. As such, the firework displays are considered to be well managed.

The DMIRS prescribed form – Fireworks Event Notice submitted by an applicant does not seek approval from the local government but an acknowledgement or objection. Part 3 of this form requests an authorised delegate or the Chief Executive Officer of the local government to acknowledge or state an objection to the fireworks event.

Based on legal advice provided by the City's Lawyers McLeods and the City's Governance Services there appears to be no provision within the *Dangerous Goods Safety Act 2004*, subsidiary Regulations or the *Local Government Act 1995* for local government to provide this acknowledgement or objection to the event under delegation.

The City of Kwinana is objecting to the application in accordance with the explicit terminology of *S148(6)(b)* of the Act to ensure the City's specified conditions are met as part of the City's formal response.

**LEGAL/POLICY IMPLICATIONS:**

For Councillors' considering a financial or impartiality interest only, the proponent is Robert Cardile of Cardile International Fireworks Pty Ltd and WA Sports Centre Trust is the current owner.
