3 DEDICATION

Councillor Erin Sergeant to read the dedication:

"May we, the Elected Members of the City of Kwinana, have the wisdom to consider all matters before us with due consideration, integrity and respect for the Council Chamber.

May the decisions made be in good faith and always in the best interest of the greater Kwinana community that we serve."

4 ATTENDANCE, APOLOGIES, LEAVE(S) OF ABSENCE (PREVIOUSLY APPROVED)

Apologies:

Leave(s) of Absence (previously approved):

5 PUBLIC QUESTION TIME

In accordance with the *Local Government Act 1995* and the *Local Government (Administration) Regulations 1996*, any person may during Public Question Time ask any question.

In accordance with Regulation 6 of the *Local Government (Administration) Regulations 1996*, the minimum time allowed for Public Question Time is 15 minutes.

A member of the public who raises a question during Question Time is to state his or her name and address.

Members of the public must provide their questions in writing prior to the commencement of the meeting. A public question time form must contain all questions to be asked and include contact details and the form must be completed in a legible form.

Please note that in accordance with Section 3.4(5) of the *City of Kwinana Standing Orders Local Law 2019* a maximum of two questions are permitted initially. An additional question will be allowed by the Presiding Member if time permits following the conclusion of all questions by members of the public.

6 RECEIVING OF PETITIONS, PRESENTATIONS AND DEPUTATIONS

6.1 PETITIONS

A petition must –

- be addressed to the Mayor;
- be made by electors of the district;
- state the request on each page of the petition;
- contain at least five names, addresses and signatures of electors making the request;
- contain a summary of the reasons for the request;
- state the name of the person to whom, and an address at which, notice to the petitioners can be given; and
- be respectful and temperate in its language and not contain language disrespectful to Council.

The only motion which shall be considered by the Council on the presentation of any petition are –

- that the petition be received;
- that the petition be rejected; or
- that the petition be received and a report prepared for Council.

6.2 PRESENTATIONS

In accordance with Clause 3.6 of the *Standing Orders Local Law 2019* a presentation is the acceptance of a gift, grant or an award by the Council on behalf of the local government or the community.

Prior approval must be sought by the Presiding Member prior to a presentation being made at a Council meeting.

Any person or group wishing to make a presentation to the Council shall advise the CEO in writing before 12 noon on the day of the meeting. Where the CEO receives a request in terms of the preceding clause the CEO shall refer it to the presiding member of the Council committee who shall determine whether the presentation should be received.

A presentation to Council is not to exceed a period of fifteen minutes, without the agreement of Council.

6.3 DEPUTATIONS

In accordance with Clause 3.7 of the *Standing Orders Local Law 2019*, any person or group of the public may, during the Deputations segment of the Agenda with the consent of the person presiding, speak on any matter before the Council or Committee provided that:

- the person has requested the right to do so in writing addressed to the Chief Executive Officer by noon on the day of the meeting.
- setting out the agenda item to which the deputation relates;
- whether the deputation is supporting or opposing the officer's or committee's recommendation; and
- include sufficient detail to enable a general understanding of the purpose of the deputation.

A deputation to Council is not to exceed a period of fifteen minutes, without the agreement of Council.

7 CONFIRMATION OF MINUTES

7.1 MINUTES OF THE ORDINARY COUNCIL MEETING HELD ON 11 SEPTEMBER 2024

RECOMMENDATION

That the Minutes of the Ordinary Council Meeting held on 11 September 2024 be confirmed as a true and correct record of the meeting.

8 DECLARATIONS OF INTEREST (FINANCIAL, PROXIMITY, IMPARTIALITY – BOTH REAL AND PERCEIVED) BY MEMBERS AND CITY OFFICERS

Section 5.65(1) of the *Local Government Act 1995* states:

A member who has an interest in any matter to be discussed at a council or committee meeting that will be attended by the member must disclose the nature of the interest —

in a written notice given to the CEO before the meeting; or
at the meeting immediately before the matter is discussed.

Section 5.66 of the *Local Government Act 1995* states:

If a member has disclosed an interest in a written notice given to the CEO before a meeting then —

before the meeting the CEO is to cause the notice to be given to the person who is to preside at the meeting; and
at the meeting the person presiding is to bring the notice and its contents to the attention of the persons present immediately before the matters to which the disclosure relates are discussed.

18.1 ACCOUNTS FOR PAYMENT FOR THE MONTH ENDED 31 AUGUST 2024

SUMMARY

The purpose of this report is to present to Council a list of accounts paid under delegated authority for the month ended 31 August 2024 as required by the *Local Government (Financial Management) Regulations 1996*.

OFFICER RECOMMENDATION

That Council:

1. **Accepts the list of accounts, totalling \$5,625,886.34 paid under delegated authority in accordance with Regulation 13(1) of the *Local Government (Financial Management) Regulations 1996* for the period ended 31 August 2024, as detailed at Attachment A.**
2. **Accepts the detailed transaction listing of credit card expenditure paid for the period ended 31 August 2024, as detailed at Attachment B.**

DISCUSSION

Council has delegated, to the Chief Executive Officer, the exercise of its power to make payments from the City's Municipal and Trust funds. In accordance with Regulation 13 of the *Local Government (Financial Management) Regulations 1996* a list of accounts paid is to be provided to Council, where such delegation is made.

The following table summarises the payments for the period by payment type, with full details of the accounts paid contained within Attachment A.

Payment Type	Amount (\$)
Automatic Payment Deductions *	\$ 60,796.28
Cheque	\$ 167.05
EFT Payments	\$ 3,997,675.59
Payroll Payments	\$ 1,567,247.42
Total Attachment A	\$ 5,625,886.34

*Automatic Payment deductions include a payment of **\$59,407.24** for credit card payments. A detailed transaction listing of credit card expenditure paid for the period ended 31 August 2024, is included at Attachment B.

A detailed listing of August 2024 payments, including short descriptions for each payment, is provided in Attachment A.

18.2 LOCAL LAW ADOPTION - ANIMAL, ENVIRONMENT AND AMENITY LOCAL LAW

SUMMARY

At the Ordinary Council Meeting held 22 May 2024, Council resolved to undertake a second round of State-wide and local public notice of the City of Kwinana's proposal to adopt the *Animal, Environment and Amenity Local Law 2024* (Local Law). This was due to amendments having been made to the Local Law resulting from feedback received by the community and State Departments during an initial public submission period held 10 May 2023 to 26 June 2023.

Public notices were issued on 5 June 2024 seeking submissions on the proposed Local Law as amended. Copies of the Local Law were also submitted to the following State Government Department's for further comment:

- Department of Local Government, Sport and Cultural Industries (DLGSC);
- Department of Water and Environmental Regulations (DWER);
- Department of Biodiversity, Conservation and Attractions (DBCA);
- Department of Primary Industries and Regional Development (DPIRD); and
- Department of Health (DoH).

The public submission period closed on 26 July 2024, with no community submissions received by the City. Further, no amendments were requested by any State Government Departments. However, minor changes are recommended to address grammar and formatting issues.

Pursuant to section 3.13 of the *Local Government Act 1995*, it is recommended that Council resolve to adopt the *Animal, Environment and Amenity Local Law 2024* as provided at Attachment A.

A 'tracked changes' version showing the minor amendments is provide at Attachment B.

OFFICER RECOMMENDATION

That Council:

1. Gives notice that the purpose of the *Animal, Environment and Amenity Local Law 2024* is:
 - to protect the environment and public health, safety and amenity within the district; and
 - to repeal redundant local laws.
2. Gives notice that the effect of the *Animal, Environment and Amenity Local Law 2024* is to:
 - to provide for the elimination or reduction of threats to the environment and public health, safety, and amenity through –
 - (a) the regulation of the keeping of animals (other than dogs and cats) in terms of types, number and how and where they can be kept;
 - (b) prescribing minimum standards for the keeping of all animals; and
 - (c) prescribing requirements for owners and occupiers of land to manage activities to prevent creating a nuisance including vermin control, dust prevention, refuse control, light, smoke, and odour emissions.
 - to repeal redundant provisions of certain City of Kwinana local laws.
3. Makes by absolute majority the *Animal, Environment and Amenity Local Law 2024* provided at Attachment A, in accordance with section 3.12(4) of the *Local Government Act 1995* subject to the Chief Executive Officer;

- a) publishing the *Animal, Environment and Amenity Local Law 2024* in the Government Gazette in accordance with section 3.12(5) of the *Local Government Act 1995* and providing a copy to the Minister for Local Government; and
- b) following Gazettal, providing local public notice in accordance with section 3.12(6) of the *Local Government Act 1995*, and providing a copy of the law and Explanatory Memorandum signed by the Mayor and Chief Executive Officer to the Western Australian Parliamentary Joint Standing Committee on Delegated Legislation.

VOTING REQUIREMENT

Absolute Majority.

DISCUSSION

A review has been conducted of the City's local laws regulating animal ownership (other than cats and dogs) as well as activities by owners and occupiers which have the potential to negatively impact community amenity via creating a nuisance or public health risk. It was identified as part of that review that there is a need for the City to implement a new local law aimed to:

- Repealing dated or redundant local laws.
- Consolidate existing local laws to simplify enforcement processes.
- Streamline the City's administration processes in relation to animal ownership by removing red tape where possible; and
- Introduce modified penalties over public health issues that are currently not effectively managed or controlled.

The proposed *Animal, Environment and Amenity Local Law 2024* provided at Attachment A was developed following extensive benchmarking with other local governments, community consultation and in consideration of the evolving needs of the community into the future. The version detailed at Attachment B shows all tracked changes. As the changes to the law are minor in nature, the proposed Local Law is not required to be advertised for public comment again prior to implementation by Council.

The primary intention of this new local law is to combine current City of Kwinana ('City') local laws addressing animal ownership (other than dogs and cats) as well as amenity of the community.

The Local Law additionally repeals a number of outdated and redundant provisions within several existing local laws. This included provisions that duplicate standards covered under the National Construction Code of Australia (NCA) or the *Food Act 2008*.

Provisions in the City's *Health By-Laws 1964* relating to sanitation, housing standards, and lodging houses will be required to remain in place pending anticipated amendments to the *Public Health Act 2016* by State Government.

In accordance with section 3.12 of the *Local Government Act 1995*, following a resolution by Council to adopt the Local Law, the City is required to publish a copy in the Government Gazette and give local public notice of it coming into effect. A copy is also to be provided to Parliamentary Joint Standing Committee on Delegated Legislation along with an Explanatory Memorandum signed by the Mayor and CEO.

STRATEGIC IMPLICATIONS

This proposal will support the achievement of the following outcome/s and objective/s detailed in the Strategic Community Plan and Corporate Business Plan.

Strategic Community Plan			
Outcome	Strategic Objective	Action in CBP (if applicable)	How does this proposal achieve the outcomes and strategic objectives?
1 – A naturally beautiful environment that is enhanced and protected	1.2 – Maintain and enhance our beautiful, natural environment through sustainable protection and conservation	N/A – There is no specific action in the CBP, yet this report will help achieve the indicated outcomes and strategic objectives	The local law promotes responsible animal ownership, prevent environmental degradation and control pollution, to maintain clean and healthy environment.

SOCIAL IMPLICATIONS

There are no social implications as a result of this proposal.

LEGAL/POLICY IMPLICATIONS

Section 3.12 of the Act provides as follows:

3.12. Procedure for making local laws

- (1) *In making a local law a local government is to follow the procedure described in this section, in the sequence in which it is described.*
- (2A) *Despite subsection (1), a failure to follow the procedure described in this section does not invalidate a local law if there has been substantial compliance with the procedure.*
- (2) *At a council meeting the person presiding is to give notice to the meeting of the purpose and effect of the proposed local law in the prescribed manner.*
- (3) *The local government is to —*
 - (a) *give Statewide public notice stating that —*
 - (i) *the local government proposes to make a local law the purpose and effect of which is summarized in the notice; and*
 - (ii) *a copy of the proposed local law may be inspected or obtained at any place specified in the notice; and*
 - (iii) *submissions about the proposed local law may be made to the local government before a day to be specified in the notice, being a day that is not less than 6 weeks after the notice is given; and*
 - (b) *as soon as the notice is given, give a copy of the proposed local law and a copy of the notice to the Minister and, if another Minister administers the Act under which the local law is proposed to be made, to that other Minister; and*
 - (c) *provide a copy of the proposed local law, in accordance with the notice, to any person requesting it.*
- (3a) *A notice under subsection*
- (3) *is also to be published and exhibited as if it were a local public notice.*

- (4) *After the last day for submissions, the local government is to consider any submissions made and may make the local law* as proposed or make a local law* that is not significantly different from what was proposed.*
** Absolute majority required.*
- (5) *After making the local law, the local government is to publish it in the Gazette and give a copy of it to the Minister and, if another Minister administers the Act under which the local law is proposed to be made, to that other Minister.*
- (6) *After the local law has been published in the Gazette the local government is to give local public notice —*
 - (a) *stating the title of the local law; and*
 - (b) *summarizing the purpose and effect of the local law (specifying the day on which it comes into operation); and*
 - (c) *advising that copies of the local law may be inspected or obtained from the local government's office.*
- (7) *The Minister may give directions to local governments requiring them to provide to the Parliament copies of local laws they have made and any explanatory or other material relating to them.*
- (8) *In this section — making in relation to a local law, includes making a local law to amend the text of, or repeal, a local law.*

FINANCIAL/BUDGET IMPLICATIONS

The City is expected to incur approximately \$500.00 for the publication of the local public notice and around \$2,750.00 for the publication of the local law in the Government Gazette.

Minor costs will be incurred in the ongoing promotion of the law.

ASSET MANAGEMENT IMPLICATIONS

No asset management implications have been identified as a result of this report or recommendation.

ENVIRONMENTAL/PUBLIC HEALTH IMPLICATIONS

The local law will provide the City greater ability to regulate the causing of nuisances, diseases and environmental issues by owners and occupiers of private land throughout the district, including through issuing notices, infringements and undertaking prosecution action.

BOOLA MAARA ABORIGINAL CONSULTATIVE COMMITTEE RECOMENDATIONS

A report on the Adoption of the *Animal, Environment and Amenity Local Law 2024* was presented to the Boola Maara Aboriginal Consultative Committee at their meeting held on 2 September 2024, the Committee provided the following comment:

- Committee applauded the City's educational approach to enforcement of the local law rather than a punitive approach, noting the financial hardship experienced within the community at the moment.

COMMUNITY ENGAGEMENT

Community engagement is proposed to take place in the form required by section 3.12(3) of the *Local Government Act 1995* – Procedure for making local laws and includes the requirement to give state-wide public notice that the local government proposes to make a local law the purpose and effect of which is summarised in the notice.

18.3 COUNCIL POLICY REVIEW

SUMMARY

Council policies are high-level statements articulating the intent of the City's strategic objectives as well as guiding the City's operations. Appropriate policies help strengthen the City's governance as well as support consistency in decision-making and outcomes.

High-risk policies are to be reviewed every two years, while lower-risk policies may be reviewed every four years. Policies are required to be updated as needed even if the review timeframe is not due, in response to changes in legislation, procedures, and other relevant factors. The City's commitment to policy review ensures that no policy exceeds a four-year review timeframe, with the respective review dates clearly stated within the Policies reference section.

As part of the City's ongoing policy review process, the following existing policies have undergone a thorough review and are recommended for adoption by Council:

- Recordkeeping (**Attachment A**);
- Pavement and Drainage for Residential, Commercial and Industrial Areas (**Attachment C**); and
- Crossover (**Attachment E**).

A tracked changes version of the Recordkeeping Policy is provided at **Attachment B** for ease of reference.

The Half Mast Flags as detailed at **Attachment G** has been reviewed and determined to be no longer necessary due to internal processes and communications received by State Government.

OFFICER RECOMMENDATION

That in accordance with the *Local Government Act 1995*, Council resolves as follows:

- (a) To adopt the following amended Council policies:
 - Recordkeeping (**Attachment A**);
 - Pavement and Drainage for Residential, Commercial and Industrial Areas (**Attachment C**); and
 - Crossover (**Attachment E**);
- (b) To revoke Council policy Half Mast Flags as detailed in **Attachment G**.

VOTING REQUIREMENT

Simple majority.

DISCUSSION

As part of the City's policy review process, the following policies have been subject to review and assessment. After careful consideration the policies are now recommended for adoption or to be revoked by Council. To facilitate this decision-making process, City officers have provided comments and insights related to each policy, these comments have been included in the table below.

Amended Policies for Adoption:

In accordance with the *Local Government Act 1995*, the following policies have been reviewed and are recommended for adoption:

Policy Name	Comment
Recordkeeping Policy	<p>The City's Recordkeeping Policy has been thoroughly reviewed and updated to ensure compliance with the <i>State Records Act 2000</i>. The review included a gap analysis to align all practices with legislative requirements. The revised Policy clarifies objectives, ensuring compliance with the <i>State Records Act 2000</i> and the <i>Local Government Act 1995</i>, and the facilitation of data collection through various means such as physical mail, emails, digital images, and social media posts. It expands the scope to include all records created or received by Council Members, employees, and contractors, ensuring comprehensive coverage.</p> <p>The updated Policy also introduces detailed provisions for the creation, capture, control, security, protection, access, use, storage, preservation, appraisal, retention, disposal, and digitisation of records. These changes aim to enhance record management efficiency and effectiveness, protect the City's information assets, and ensure all records are preserved and disposed of appropriately. The revisions address recordkeeping challenges, such as managing digital records and social media posts, ensuring that all forms of records are captured and preserved in line with best practice standards and legislative requirements.</p>
Pavement and Drainage for Residential, Commercial and Industrial Areas Policy	<p>The Pavement and Drainage for Residential, Commercial, and Industrial Areas Policy establishes the standards and procedures for constructing and maintaining paved areas, such as yards, driveways, and car parks within the City. It addresses issues related to dust control and drainage management to ensure these areas remain serviceable and do not adversely impact adjacent properties.</p> <p>The changes made to the Policy are minimal and do not alter the overall effect. The policy has also been amended to ensure it aligns with the City's policy template</p>
Crossover Policy	<p>The Crossover Policy provides clarity and compliance, including the requirement for a detailed crossover plan submission before construction, emphasising the identification and preservation of existing trees. It specifies the conditions under which trees can be removed and replaced, mandates that crossovers adhere to approved plans before occupancy permits are issued, and clarifies the rebate eligibility criteria, particularly for first-time</p>

	<p>crossovers. The Policy reinforces the importance of adhering to the City's specifications and includes provisions for non-compliant crossovers to be corrected at the owner's expense.</p> <p>The changes made to this Policy are minimal and do not alter the overall effect of the Policy. The Policy has also been amended to ensure it aligns with the City's policy template.</p>

Policy to be Revoked:

In accordance with the *Local Government Act 1995*, the following policy is recommended to be revoked:

Policy Name	Comment
Half Mast Flags	<p>The City's process for flying flags, including the Half Mast Flags Policy, has been reviewed. It was determined that the Policy is no longer required, as the City receives guidance from the Department of Local Government, Sport and Cultural Industries through their LGAAlert emails, these emails are in accordance with the Australian National Flag protocol. The emails detail the requirements for flying flags, including the significance of specific days, dates, and timeframes. They also provide a link to the Australian National Flag protocol.</p> <p>The LGAAlerts are saved in the City's record-keeping system and forwarded to the appropriate Officers for action.</p>

Introduction

This policy ensures that the City of Kwinana has appropriate practices established to manage the creation, capture, preservation, retention and disposal of all recorded business-related documents, in accordance with the *State Records Act 2000*.

Purpose

The purpose of this policy is to define the principles of the City's information management function and provide guidance and direction on the creation and management of information and records for the individuals who are responsible for managing or performing those processes on behalf of the City.

This Policy should be read in conjunction with the following documents:

- City of Kwinana Recordkeeping Plan
- City of Kwinana Disaster Recovery Plan
- Vital Records Register
- Information Management Operations Manual
- Information Management Handbook

This suite of documents is the framework for the reliable and systematic management of the City's records and information and ensures records are created and retained appropriately to meet accountability requirements of the *State Records Act 2000*, other legislation, and best practice standards.

Objectives

The objectives of this policy are:

- To keep records and facilitate the collection of data through the City's business record keeping system, which includes but is not limited to physical mail, publications, emails, digital images, website and social media posts, text messages and information contained on the shared network drives.
- To ensure compliance with the requirements of the *State Records Act 2000* and the *Local Government Act 1995*.

Scope

This Policy applies in relation to all records created or received by City of Kwinana employees and contractors. This includes all full-time, part-time, temporary and casual staff, contractors, work experience students and volunteers employed either directly by the City or engaged through a recruitment agency, labour hire organisation or any other third party.

Policy Provisions

Definitions

Term	Definition
<i>ephemeral records</i>	Any record that has short term value to the City, with little or no ongoing administrative, fiscal, legal, evidential, or historical value and is generally only needed for a few hours or a few days. The City uses the guidelines contained within the General Disposal Authority for Local Government Records to determine which records are considered ephemeral.
<i>General Disposal Authority (GDA)</i>	The General Disposal Authority for Local Government records is issued by the State Records Office of Western Australia and designed to provide consistency throughout Local Government in disposal activities and decisions. It establishes the minimum retention period for each type of record listed in the schedule regardless of medium and dictates the final action for the record.
<i>General Disposal Authority for Source Records (GDASR)</i>	The General Disposal Authority for Source Records is issued by the State Records Office of Western Australia and provides for the digitisation of records and the retention of reproductions that meet the specific requirements of the <i>State Records Act 2000</i> .
<i>record</i> <i>(May also referred to as a corporate or business record)</i>	A record is information recorded in any form that is created, received, and maintained by an organisation in the course of conducting its business activities and kept as evidence of such activity. It includes any hardcopy, digital or online record that meets one or more of the following criteria: <ul style="list-style-type: none"> a. It conveys information essential or relevant in decision making processes. b. It conveys information upon which others will, or may, use to make decisions affecting the City's operations, rights, and obligations under legislation. c. It commits the City to certain courses of action, the commitment of resources or provision of services. d. It conveys information about matters of public safety or public interest or involves information upon which contractual undertakings are entered into. e. The information is likely to be needed for future use or is of historical value.
<i>Recordkeeping Plan</i>	Ensures records are created, managed, and maintained over time and disposed in accordance with principles and standards issued by the State Records Commission. It is the primary means of providing evidence of compliance with the <i>State Records Act 2000</i> and shows how best practices have been implemented within the organisation.
<i>Recordkeeping System / eDRMS</i>	A system to capture, maintain and provide access to records over time that displays features for ensuring authentic, reliable, complete, and usable records that function as evidence of business transactions. (State Records Office)
<i>Significant Records</i>	Significant records contain information which is of administrative, legal, fiscal, evidential, or historical value, and are not recorded elsewhere on the public record.

<i>State Archive</i>	Means a State record that is to be retained permanently. (State Records Office)
<i>State Records Act 2000</i>	The <i>State Records Act 2000 Act</i> has specific provisions relating to the responsibility to create, manage and dispose of records in accordance with principles and standards issues by the State Records Commission. In accordance with Section 19 of the Act, the City will ensure it endorses and maintains a Recordkeeping Plan approved by the State Records Commission.
<i>source record</i>	Records that have been identified as suitable for digitisation under GDASR.
<i>vital record</i>	Records that have been identified as essential to the continuing business of the City. These include those that protect the rights of individuals and the City and are essential for reconstruction in the event of a disaster.

Policy Statement

Records are recognised as an important information resource within the City of Kwinana, and it is accepted that sound records management practices will contribute to the overall efficiency and effectiveness of the organisation.

The effective management of records will also:

- Protect the interests of the City and the rights of its employees, customers and stakeholders;
- Support informed decision making;
- Provide evidence of achievements; and
- Increase efficiency in administration and service delivery across the organisation.

1.1 Responsibilities

Chief Executive Officer

In accordance with section 5.41(h) of the *Local Government Act 1995*, 'the Chief Executive Officer is to ensure that records and documents of the local government are properly kept for the purpose of this act and any other written law.'

The Chief Executive Officer shall ensure that the City maintains a system for the capture and management of records that is compliant with legislative requirements and best practice standards; that facilitate effective and efficient management of records in accordance with the City's statutory and operational obligations.

Management Team or Management

Managers and coordinators are responsible for:

- Ensuring that all employees under their supervision comply with this policy and associated records management procedures.
- Ensuring that all new employees attend compulsory induction training to their record keeping responsibilities.

Staff and Contractors

All staff and Contractors are required to:

- Complete compulsory records management education initiatives within designated timeframes.
- Create, receive, maintain and store records relating to the business activities they perform in accordance with this Policy, the City's Recordkeeping Plan and established procedures, guidelines and practices.

Information Management Team

The Information Management team are responsible for:

- Providing an information management service that complies with this policy, associated procedures and any legislative requirements;
- The development, maintenance, promotion, and support of an organisational system for the capture and management of records that is compliant with legislative requirements and best practice standards;
- Assisting and supporting all City employees in meeting their recordkeeping responsibilities by defining strategies that will support and document accountability and responsibility throughout the organisation;
- Providing education in relation to recordkeeping compliance, recordkeeping practices, policies and the records management system; and
- Monitoring and reporting on compliance with this policy.

1.2 Ownership

Records created or received by employees are to be managed in accordance with the relevant legislation, the City's revised Recordkeeping Plan, this policy and associated guidelines and procedures. The City's records are corporate assets, and the City is the owner of all records and as such records are not the property of individual employees.

Outsourced Functions performed on behalf of the City

Contractual agreements or other similar arrangements must include appropriate recordkeeping clauses that specify requirements for external providers. They are to create, manage, store and transfer records in accordance with the City of Kwinana's Recordkeeping Plan, Procurement policy, the City's Terms and Conditions for the Supply of Goods and Services and the State Records Commission Standard 6 – Outsourcing.

1.3 Creation of Records

All employees, contractors and elected members will ensure that full and accurate records are created to provide evidence of business transactions and decisions and that these records will be registered in the City's recordkeeping system.

Creation, Capture and Control of Records

All records created and received in the course of City business are to be captured at the point of creation, regardless of format, with required metadata into the recordkeeping or approved business system, that contains appropriate security and retention and disposal functionality. All records must be titled in a way that is easily retrievable and in line with the City's document naming and titling conventions.

1.4 Security and Protection of Records

All records are to be categorised according to their level of sensitivity and adequately secured and protected from violation, unauthorised access, or destruction, and kept in accordance with necessary retrieval, preservation, and storage requirements.

1.5 Access Use and Disclosure of Records

Access to the City's records by staff and contractors will be in accordance with designated access and security classifications and in accordance the City's Recordkeeping Operational Guidelines.

The public's access to the City's records will be in accordance with the *Local Government Act 1995* and the *Freedom of Information Act 1992* and any other relevant legislation.

Access to the City's records by Elected Members will be via the Chief Executive Officer in accordance with the *Local Government Act 1995*.

1.6 Storage

Digital records must not be maintained in email folders, shared folders (unless authorised), personal drives, external storage media or cloud storage not approved for use as these lack the necessary functionality to protect business information and records over time.

Physical vital records are to be stored in secure fire-resistant locations using documented protocols designed to secure and protect the records from a disaster.

1.7 Preservation

Where records, regardless of format, are no longer used but because of their legal, evidential or informational value have been selected for permanent retention, will be managed in accordance with relevant industry storage specifications and standards to maximise their longevity and preservation.

The City has implemented a vital records program to assist with safeguarding its vital information assets. Staff responsible for the ongoing management of these records and information are required to familiarise themselves with the guidelines and abide by the counter disaster measures in place.

Preservation of records also entails the migration of data. All migrations of data must produce authentic, complete, accessible records. The City requires that implementation plans for new or upgraded electronic recordkeeping and business systems have a data migration strategy that includes the methodology for migration of

data, metadata, and records. The outcome expected is that migrated records retain the same level of useability and the methodology for implementation ensures where occur they may be reverse engineered to protect the original record.

1.8 Appraisal, Retention and Disposal of Records

Records will be disposed of in accordance with the General Disposal Authority for Local Government Records, published by the State Records Commission of Western Australia.

Staff, contractors and elected members must not personally undertake destruction of any records. Records identified for destruction will be subject to review and approval by the Information Management Coordinator, the Manager of the business unit the records relate to, and the Chief Executive Officer.

Ephemeral records are not required to be placed within the City's official recordkeeping system. Staff or contractors may dispose of such ephemeral records once reference ceases.

Copies/duplicates may be disposed of after use ensuring any such records that contain personally identifiable information or information that is not publicly available are placed into confidential destruction bins or given to the Information Management Team for secure disposal.

Digitisation

All hardcopy records that are digitised must be in accordance with the General Disposal Authority for Source Records (RD 2016002) and internal guidelines established for this process. The digitised record will become the City's original record. Both the digitised and paper record will be managed in accordance with sound recordkeeping principles.

Introduction

The "Pavement and Drainage for Residential, Commercial, and Industrial Areas" policy outlines the standards and procedures required for the construction and maintenance of paved areas, such as yards, driveways, and car parks, within the City. The policy along with its related documents is intended to address issues related to dust control and drainage management, ensuring that these areas are serviceable and do not negatively impact adjacent properties.

Purpose

To set down standards for yards, driveways, car parks, and other paved areas in order to standardise controls required by the City's Manager of Engineering Services.

Objective

The primary objective of this policy is to establish clear and consistent standards for the construction and maintenance of trafficable and non-trafficable paved areas in residential, commercial, and industrial developments.

Scope

Provide direction for the construction of traffic and non-trafficable areas in residential, commercial, and industrial developments to manage dust and drainage, referring to the City's specifications to be adhered to.

Policy Provisions

Definitions

Nil.

Policy

1. Car parks and driveways on all private properties are to be maintained so as to be dust free and drained on site.
2. In addition, car parks and driveways on commercial and industrial Lots are to be constructed and maintained in accordance with the City's:
 - 2.1. "Specification for Pavement and Drainage of Trafficable Areas in Industrial Areas"; or
 - 2.2. "Specification for Pavement and Drainage of Non-Trafficable Areas in Industrial Areas",
 as appropriate for that Lot or part of that Lot so as to be serviceable and not be detrimental to adjacent properties.
3. All stormwater within private property is to be contained within the property boundaries to the satisfaction of the City's Manager Engineering Services.

Risk Assessment

A risk assessment conducted as part of this Policy review indicates that the risk to the City by not providing an adequate Policy for the Pavement and Drainage for Residential, Commercial and Industrial Areas would result in a high risk rating.

Associated risks would include drainage infrastructure not being installed or sealing and paving of parking, traffic and laydown areas not being undertaken and adequately maintained. This would potentially result in dust emission from sites, loose sand, gravel or rock material discharging from sites and stormwater flow off sites. This may present a safety and health hazard, contamination or flooding issue to neighbouring properties or road reserves/public land.

It is assessed that the risk rating following implementation of this Policy would result in a low risk rating.

Council Policy

Crossovers

Legislation/local law requirements	Local Government Act 1995
Relevant Delegation	Please see Delegated Authority Register
Related policy procedures and documents	Crossover rebate inspection administration cross over site inspection Vehicle Crossover specifications and Design Plans Crossover subsidy rebate application EFT form.

Introduction

The City is committed to ensuring the construction and maintenance of crossovers adhere to high standards and regulatory requirements. This policy provides clear guidelines for property owners, developers, and contractors regarding the construction, maintenance, and design of crossovers within the City. By implementing this policy, the City aims to maintain uniformity, safety, and aesthetic appeal across all residential areas.

Purpose

To encourage construction and maintenance of crossovers to adequate standards and timeframes.

Objective

The objectives of this policy are to:

- guarantee that all crossovers are constructed in a manner that ensures the safety and accessibility of pedestrians, cyclists, and motorists.
- establish standardised construction practices for crossovers that align with the City's specifications and design plans, ensuring consistency and quality.
- encourage property owners and developers to comply with the City's regulations and specifications, thereby minimising non-compliant crossovers.
- provide a clear framework for the rebate process, ensuring that property owners are aware of the criteria and procedures for obtaining financial rebates for compliant crossover construction.
- protect existing trees and environmental features during the construction of crossovers, promoting sustainable urban development practices.

By adhering to these objectives, the City aims to foster a well-planned, safe, and visually appealing urban environment.

Scope

To provide direction for the construction of crossovers on residential lots by adhering to the Vehicle Crossover Specification and Design Plans when designing crossover locations for new and existing residential properties.

Policy Provisions

Definitions

For the purpose of this Policy, the meaning of 'Crossover' has the same meaning as 'Crossing' referred to in the *Local Government Act 1995*.

Policy Statement

- 1 All crossovers should be constructed and maintained in accordance with the City's "Vehicle Crossover Specifications and Design Plans"
- 2 A crossover plan shall be submitted for approval prior to construction commencing. The submitted plan shall also show the proposed route of the driveway, and:
 - 2.1 The plan should accurately identify the location of existing and nearby trees in the road verge, and where practicable, should minimise disruption to these trees;
 - 2.2 Where trees are to be removed, written approval from the City is required. Replacement trees should, where practicable, be planted as close as possible to the location of the removed tree with the submitted plan indicating the proposed locations and species of the replacement tree/s; and
 - 2.3 Where a Local Development Plan is in place over the land, the submitted crossover plan shall be consistent with the Local Development Plan, or any subsequent planning consent.
- 3 The builder or owner shall construct the crossover for newly constructed dwellings as indicated on the approved plan prior to an occupancy permit being issued for the property, or by a date mutually agreed upon by the City and the owner.
- 4 Where an established property does not have a crossover which complies with the current specifications, and the owner requests and receives the City's approval for a new one, the owner is to construct or arrange to construct the crossover, as per the approved plan.
- 5 In respect to a first crossover to the land or private thoroughfare, a rebate equivalent to 50% of the cost, as estimated by the City, of a standard crossover, will be made to the applicant when the crossover has been constructed in accordance with the City's "Vehicle Crossover Specifications and Design Plans".
- 6 The City will not provide a rebate towards construction of a second crossover, or when a rebate has already been paid for a previously approved crossover on that land (Lot).
- 7 Property owners can engage a private contractor to build their crossover. (This does not prevent property owners with adequate skills building their own crossover to Council specifications).
- 8 Where a footpath exists and a crossover is to cross it, the footpath is to remain in situ and is not to be modified or any part of it removed. The crossover is to end at the footpath edge.
- 9 Any crossover constructed without approval of the City, and not constructed to the City's specifications will not be entitled to any rebate. The City may also issue a Notice requiring the crossover to be removed and any damage to the verge repaired at the owner's expense.
- 10 Irregular shaped lots, steep grades or other irregularities may mean that it is not always practicable or the safest option to achieve exactly the specifications required

by the Vehicle Crossover Specifications and Design Plans. In this case, discretion to approve a non-compliant crossover will remain with the City.

- 11 If some variation is sought to the City's standards for a crossover design and prior arrangement has been made with a developer and the City in writing and endorsed on the property title, the property owner will be eligible to receive the rebate, (e.g. if a developer puts in place restrictive covenants that require crossovers to be constructed of a material other than concrete or brick paving).
- 12 Council will supply one 6-meter length of 225mm or 300mm diameter PVC stormwater pipe to the owner of a rural or special rural lot where a crossover is to be constructed over an open drain in the road verge. The pipe will enable construction of a 3m wide crossover and is to be installed by the owner, or contractor constructing the crossover. Additional pipe for a wider or second crossover may be supplied at the owners cost. The City will deliver the pipe to the property.

Financial/Budget Implications

A crossover rebate is available on application to the Manager of Engineering Services. The rebate is calculated as:

- a) In respect to the first crossover to the land or private thoroughfare, a rebate equivalent to 50% of the total cost of a standard 3m wide, 100mm thick concrete crossover, as estimated by the City, will be paid to the applicant when the crossover has been constructed in accordance with the City's "Vehicle Crossover Specifications and Design Plans".
- b) The rebate figure is revised and may change each financial year. The actual amount payable per meter is listed in Council's fees and charges schedule and is based on the supply and placement of a 100mm thick concrete crossover. The method of calculating the rebate is based on the distance measured between the property boundary and the back of kerb or footpath excluding any footpath area.

Risk Assessment

A risk assessment conducted as part of this Policy review indicates that the risk to the City by not providing an adequate Crossover Policy would result in a moderate risk rating. Associated risks would include not constructing crossovers or construction of non-conforming crossovers. This would potentially result in uneven and varying verge levels or loss of materials, all of which may present a hazard or risk to road users.

It is assessed that the risk rating following implementation of this Policy would result in a low risk rating.

Policy:

1. Title

Half-Mast Flags

2. Purpose

The purpose of this policy is to ensure that the City's practice of lowering flags to half-mast is exercised in a consistent, respectful and appropriate manner.

The flying of flags at half-mast is a strong visual statement that speaks to the sense of loss felt by all community members.

3. Scope

This Policy is provided in respect to the flying of official flags at the City's Administration Building and at other City of Kwinana buildings controlled by City staff at which there may be official flags flown.

The City may fly flags at half-mast on specific occasions to commemorate a solemn occasion, including:

- To coincide with national, state or regionally significant events (generally at the behest of the various levels of government protocol arrangements);
- When a current or former Elected Member of the City of Kwinana dies;
- When a Freeman of the City of Kwinana dies;
- When a significant member of the City of Kwinana community dies; or
- When a City of Kwinana Employee dies.

4. Definitions

Flags means official flags including national, state and local government flags flown at City owned facilities.

5. Policy Statement

Flying of flags at half mast so that;

- Flags are flown at half-mast as a sign of mourning.
- The flag is to be lowered to a position recognisably half-mast to avoid the appearance of a flag which has accidentally fallen away from the top of the flagpole.
- An acceptable position would be when the top of the flag is a third of the distance down from the top of the flagpole.
- When lowering the flag from a half-mast position it should be briefly raised to the peak and then lowered ceremoniously.
- The flag should never be flown at half-mast at night even if it is illuminated.

- When flying the Australian National Flag with other flags, all flags in the set should be flown at half-mast. The Australian National Flag should be raised first and lowered last.
- On authorisation from the Chief Executive Officer flags are to be flown at half-mast, between the hours of 8:00am until 5:00pm.

6. Financial/Budget Implications

There are no specific financial or budget implications associated with this Policy.
