1. Submit a site plan showing exact location of poultry shed(s) from any dwelling or other buildings, i.e. sheds etc.
2. Submit a plan showing size and specifications of proposed poultry sheds. Poultry must be kept in an enclosed shed and fenced pen located at least 9m from both your house and any of your neighbours' houses. It shall be no less than 18m from any street boundary of your property and within your building envelope.
3. Please allow approximately 450cm² per bird.

Extract of City of Kwinana Health Local Laws 1964

Section 29A - Keeping of Poultry

1. On and after 1 July 1963, an occupier of premises shall not keep or permit to be kept, poultry on any premises occupied by him/her within the area described, except under and in compliance with the following conditions:
 - a) The occupier is registered with the local authority as a keeper of poultry and the premises are also registered.
 - b) The occupier has paid to the local authority, the prescribed fee **which is payable annually (currently no fees apply for up to 20 poultry)**.
 - c) The occupier has provided properly constructed enclosures and facilities for the keeping of poultry and the poultry are kept therein at all times.
 - d) The poultry do not exceed twenty (20) in number.
 - e) The occupier does not keep any poultry within 9m of any dwelling house.
 - f) All enclosures within which poultry are kept are maintained in clean condition.
 - g) A person shall not keep a goose, peacock or rooster on any land or premises within the district of the City of Kwinana, without written permission of Council except in a Rural Zone or Special Rural Zone as depicted in the City of Kwinana Town Planning Scheme as amended.
2. This section operates and has effect in the whole City of Kwinana.
3. The local authority may cancel or refuse the registration of any occupier in relation to any premises if the occupier is convicted in any court for an offence relating to the keeping of poultry.
4. Non-compliance with the above By-Laws renders offenders liable to be fined \$204 for each day such breach occurs.
5. The *Town Planning (Buildings) Uniform General By-Laws 1989* provides that a fowl house shall be no less than 18m from the boundary of any street boundary of the Lot.
6. Your cooperation in the clean keeping of poultry and eradication of the fly nuisance in this District will be appreciated.
