

LOCAL DEVELOPMENT PLAN - ORELIA TRAILS, ORELIA

Unless otherwise defined on this Local Development Plan (LDP), all development shall be in accordance with the City of Kwinana Town Planning Scheme No. 2, the Residential Design Codes and the Lot D Kwinana Education Precinct Structure Plan.

Unless otherwise varied on this LDP, the relevant density provisions of the Residential Design Codes apply to all lots subject to this LDP.

Compliance with the provisions of this LDP negates the need for planning approval.

General Provisions

1. The requirement to consult with adjoining or other landowners to vary the R-Codes in accordance with the LDP is not required.
2. Building envelopes may be subject to the constraints of retaining wall. The landowner is to consult their builder or structural engineer where necessary.
3. Minor variations to the requirements of the Residential Design Codes and this LDP may be approved by the City of Kwinana.

Design Elements

1. All dwellings shall incorporate at least one habitable room opening overlooking the primary street and/or adjoining public open space.
2. Outdoor living areas and at least one major opening should, where possible, be located on the northern elevation of the dwelling.
3. Fencing along the secondary street boundary shall be visually permeable above 1.2 metres for a minimum of 3.0m from the end of the truncation.
4. Uniform fencing on boundaries cannot be modified with the exception of maintenance and repair, using materials that are substantially identical with those used in the original construction

Development Standards

1. Dwellings and garage setbacks and open space shall be in accordance with the below tables unless annotated otherwise on the LDP.
2. No average setbacks apply to lots subject to this LDP.
3. A verandah/porch/balcony (subject to the Building Code of Australia) may project not more than one metre into the front setback area, and the total of such projections can exceed 50% of the lot frontage at any level.
