For Lot 703 setbacks are required as per inset on reserve plan and in accordance with the approved Fire Management Plan

3. BUILDING FORM & ORIENTATION

- The design of dwellings shall include an articulated front elevation in the direction of the 'Primary Dwelling Orientation' arrow shown on the Local Development Plan. The front elevation shall consist of at least one major opening to a habitable room overlooking the Primary Dwelling Orientation.
- The design of dwellings on applicable lots shall include a side elevation which has at least one major opening facing the direction of the 'Secondary Dwelling Orientation' arrow shown on the Local Development Plan. The part of the dwelling which includes the required major opening and its view not be obstructed by visually impermeable fencing.
- Where possible, dwellings are to be designed to take advantage of northern solar orientation.
- For R30 lots, storage areas with a minimum internal area of 4m² and minimum dimension of 1.5m are to be provided at the time of construction of the dwellings. Storage areas shall be constructed under the main roof of the residence or garage, and shall be accessible from either the exterior or within the garage.

4. VEHICULAR ACCESS and GARAGES/CARPORTS

- Designated garage locations apply to lots identified on the Local Development Plan; referencing the side of the lot to which the garage must be located. Designated garage locations do not prescribe boundary walls.
- All garage/carports for single dwellings shall accommodate a minimum of two cars parked side by side.

5. UNIFORM ESTATE BOUNDARY FENCING

- Any Estate provided fencing/retaining on private lots shall not be modified without written approval from the City and shall be maintained as visually permeable by landowners where applicable

6. INCIDENTAL DEVELOPMENT

- Outbuildings are to be screened from public view unless constructed from the same materials as the dwelling.

7. FIRE MANAGEMENT

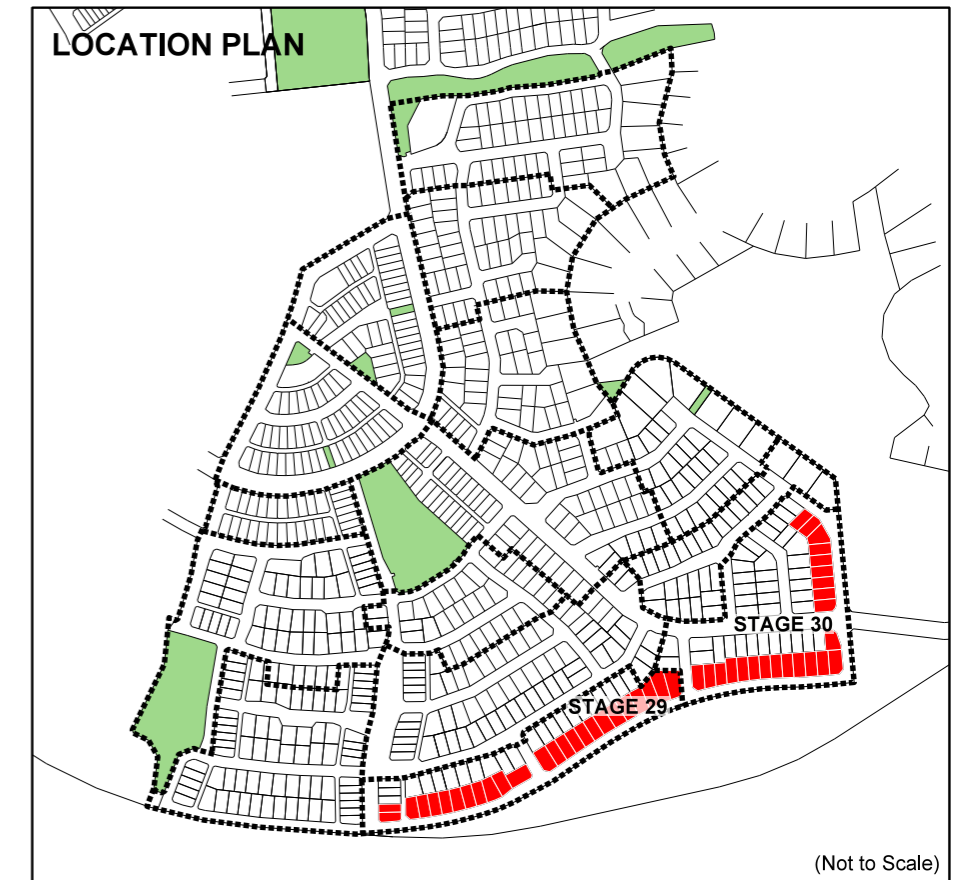

- Development shall take into account the TPS 2 requirements as detailed in Schedule IV – Development Area 2 Clause 8, the requirements of the Fire Management Plan for the Village at Wellard, this Local Development Plan and the City of Kwinana Fire Breaks Notice.
- Dwellings constructed on lots identified as being at risk of bushfire attack under the approved Fire Management Plan, or within 100m from any bushland greater than 1 ha in area, shall be constructed to the appropriate BAL rating in accordance with Australian Standard 3959.
- A proposed reduction to the nominated BAL rating for any development will require a planning application for consideration. The submission is to include the detailed method for determining bushfire attack level – Method 2 from AS 3959 supporting the lower rating demonstrating compliance with AS 3959, WAPC Guidelines Planning for Bushfire Protection Policy.

8. TREES

- Trees identified on the Local Development Plan are located within road reserve and are the property of Council. These trees shall not be removed without the prior written consent of Council.
