- Advocate for the rights and needs of people with disabilities;
- Provide representative input and advice on items referred to the Disability Reference Group by City of Kwinana administration, including but not limited to relevant development applications, plans for events, identified City-initiated projects or programs, and proposals for works on City-managed property.

Meetings will be held at a date, time and location convenient to members of the Group and where possible will not fall during school holidays. A minimum of four meetings are to be held each year. Meetings will be scheduled for a duration of up to 1.5 hours.
