Parking safety around our schools

COMMON PARKING INFRINGEMENTS/COMPLAINTS

Each year the City Assist team seeks the assistance of all schools within the City of Kwinana to help promote public safety and awareness around our schools.

For the first two weeks of each school term City Assist Officers will be patrolling all schools within Kwinana, reminding parents and road users of the need to park safely and legally around schools to assist with community safety. After this period, City Assist Officers will continue to patrol schools and address any parking issues as necessary.
