

DETAILED AREA PLAN R-CODE VARIATIONS

The District Town Planning Scheme and R-Codes are varied in the following manner;

- The dwellings (including patios and gazebos) must be located within the building envelopes where shown;
- The requirements to consult with adjoining or other land owners to achieve a variation of the R-Codes is not required;
- Development shall be designed so that its shadow cast at midday 21 June, onto any adjoining property does not exceed 40% of the adjoining property's site area;
- Sheds and outbuildings that do not match the construction materials and colours of the dwelling are not to be visible from the street or public open space;
- Trees identified on the Detailed Area Plans require planning approval prior to removal;
- Council has discretion to vary the provisions of the Detailed Area Plans (including setbacks and garage locations);
- Compliance with the provisions of the Detailed Area Plan negates the requirement under the R-Codes to obtain planning approval for lots less than 350m² in area;
- Dwellings on corner lots shall address both street frontages by having at least one major opening facing these areas.
- All garage/carports are capable of parking 2 cars side by side;
- The following requirements shall apply to Traditional Lots :
 - A minimum of 45% open space is applicable;
 - A minimum Outdoor Living Area of 30m² is applicable. Outdoor Living Areas shall have a minimum dimension of 4.0m and be located to maximise solar penetration from the north.
- The following requirements shall apply to Cottage Lots :
 - A minimum open space coverage of 30% is applicable;
 - A minimum Outdoor Living Area of 30m² is applicable;
 - Lots are to be constructed with a store area (minimum 4m) under the main roof of the residence or garage and accessible from either the exterior or within the garage area only;
 - A 2.0m solar setback to habitable rooms shall be applied to walls with major openings facing the North / North East boundary;
 - Council has discretion to allow 30m² Outdoor Living Area to be located within the front street setback area with consideration being taken of the proposed building and fencing design;
 - Vehicular access to Cottage Lots shall only be permitted from rear laneways;
 - For lots 55-66 a zero side setback is also permitted on the solar setback side boundary for a maximum of 6.0m from the front of the building envelope.
