ALEXANDER, Ruth

I have lived in Kwinana for more than 30yrs and together with my late husband have always been very active in the local community: on the Kwinana Festival Committee and as Pastors of a local church. I was employed at the Koorliny Arts Centre for 26yrs, and previously served as a Councillor from 2007-2017.

I am now Executive Pastor at LifeWay Christian Centre in Parmelia where my responsibilities lie mainly in the not for profit arm of the church which operates our childcare centre and foodbank, assisting families and others in need of support. This keeps me closely in touch with the diverse and practical needs of our community.

My experience gained during 10yrs as a councillor means I understand the role, but my 4yr break means that if elected I would return with a fresh sense of purpose.
