DI STASIO, Dan

Hello neighbours, I am seeking your support for the upcoming local government election. I have lived in Bertram since 2014 and have been an active member of a number of local community groups including the Bertram Primary Board, Kwinana Junior Knights Football Club and the Kwinana Golf Club. I want to ensure the City continues to support our sporting, community groups. I would like to see an increase in community safety and security, improved public open spaces, and efficient services and programs catering for all ages and abilities. I believe in common sense solutions for local issues and sustainable financial management.
