|-------------------|-------------------------|
| District | City of Kwinana |
| Candidate Name | Christopher DUKE |
| Ballot Paper Name | DUKE, Chris |
| Nominating for | Councillor |
| Election Type | Ordinary |

DUKE, Chris

This decade is an incredibly important one for Kwinana, and this election is your chance to prepare for it.

Since I bought my home in Wellard in 2015, I've already seen so much change in the city. With our population expected to double over the next ten years, and the container port moving here from Fremantle, even more change is coming.

It's up to council to ensure the benefits are felt across every suburb, and to reduce any negative impacts on those of us already here.

With qualifications in commerce and policy, and my experience as a community organisation board member, I'm confident that I can help keep council forward thinking and ready for the future.

I also have over a decade working in public safety, and the knowledge and skills to help tackle some of the area's current problems.
