Nominating for	<b>Councillor</b>
Election Type	<b>Ordinary</b>

---

## **KEARNEY, Susan**

My name is Susan Kearney and I would be very honored to represent the community of Kwinana at Local Government level. My husband and I own Kearns Garden, Hardware & Pets in Medina so I'm easy to reach if you would like a chat.

My family have been part of the Kwinana Community for over 60 years. I attended local schools, raised our family here and have been very involved in many sporting clubs and other committees over the years. I have seen Kwinana grow from a small country town to a city and I am hoping to be part of the team involved in making the right decision to see Kwinana stay green, provide the right facilities and make the right financial decision that our community needs as it continues grow.

I am very passionate open minded and happy to listen and help where I am needed.
