A proud resident of Kwinana for 52 years, my passion is to ensure our lovely parks are maintained and our community spirit lives on. I understand the balance between development and the environment. I have worked hard with Council on issues of health, community services, employment, sporting facilities and security.

I'm actively involved in our community in areas of culture, education, environment and sport. I am committed to Kwinana's future as a progressive sustainable and vibrant Local Government. I love serving the wonderful people in Kwinana representing your interests; contributing to decisions that bring the most beneficial results delivered cost effectively.

It has been an honour to serve in a leadership role as a Councillor since 2005 I am seeking your support to be re-elected.
