IT'S ALL HERE

Welcome to Kwinana

Kwinana is a thriving metropolitan City with an intimate, country feel - an escape from the hustle and bustle of Perth City life, yet less than 30 minutes away by train.

The City of Kwinana is home to around 42,000 residents over an area of 118km², which includes the suburbs and localities of Anketell, Bertram, Calista, Casuarina, Hope Valley, Kwinana Beach, Kwinana Town Centre, Leda, Mandogalup, Medina, Naval Base, Orelia, Parmelia, Postans, The Spectacles, Wandi and Wellard.

Kwinana takes its name from the ship SS Kwinana, which was wrecked on Cockburn Sound in 1922. Kwinana is a Kimberly Aboriginal word meaning 'pretty maiden'. Some suburbs of Kwinana are also named after ships that first brought immigrants to Western Australia including Medina, Calista and Parmelia.

Kwinana industry continues to be a major contributor to the success of Western Australia at a national and international level. The Kwinana Industrial Area is one of the most affluent areas of employment in the state, generating 26,000 jobs and over \$15billion into the economy each year.

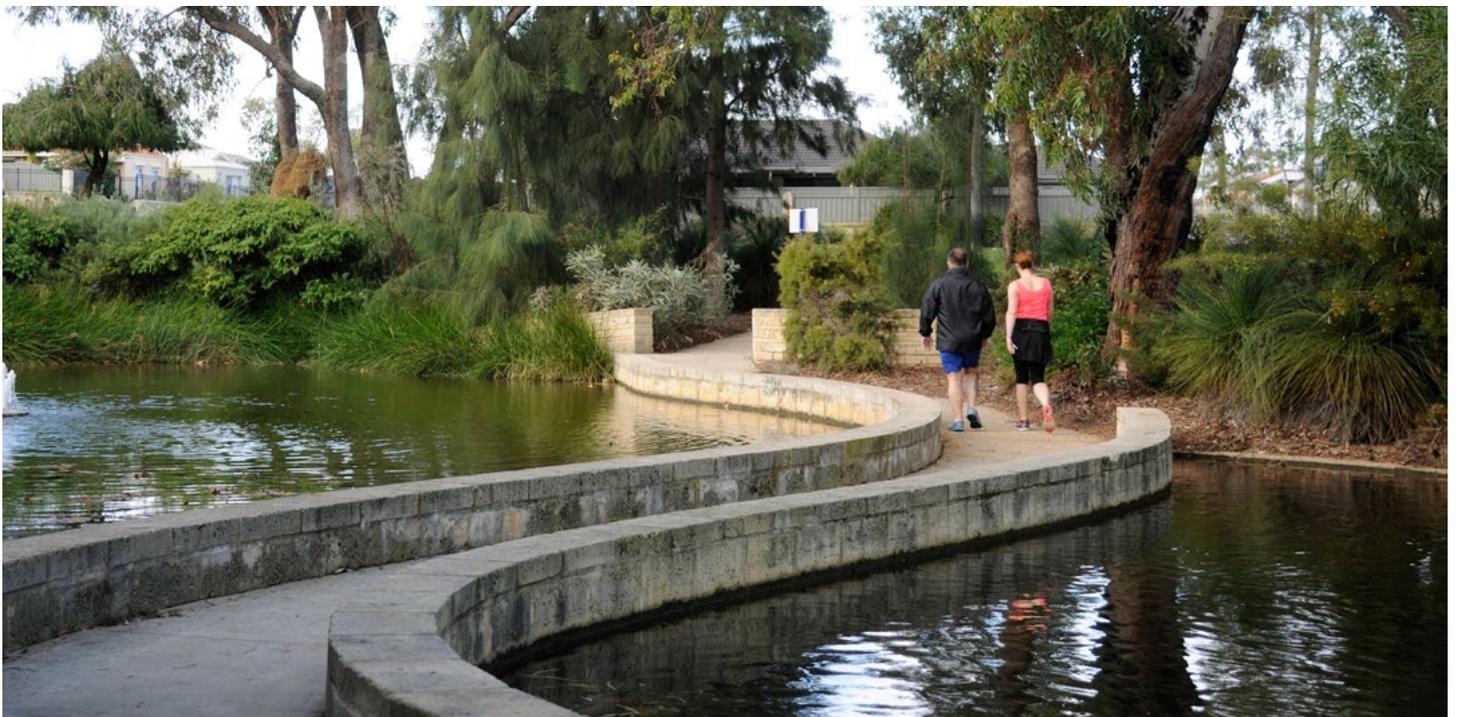

Kwinana is amongst the most culturally and linguistically diverse areas in the Perth metropolitan region. Kwinana is a place where everyone belongs, with the City proudly welcoming new citizens through monthly Citizenship Ceremonies.

A network of public transport, including two train stations, means Kwinana is easily accessible to those outside the area and is the ideal location for workers who need to commute to the CBD.

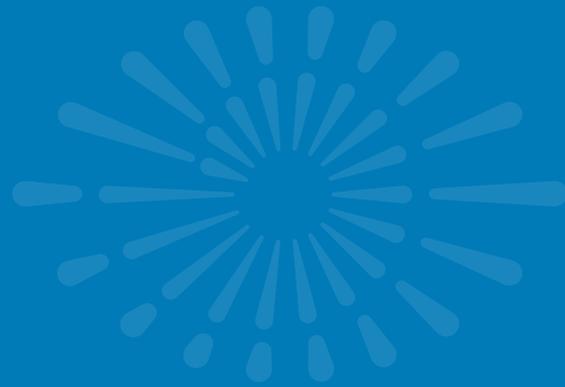

The Transperth website www.transperth.wa.gov.au offers a journey planning tool to help you plan your trip and make the most of public transport options in Kwinana.

With a young population and thriving community, the City of Kwinana is home to a range of schools, catering to young families and nurturing our future society.
