CULTURAL POLICY AND PLAN

The City of Kwinana Cultural Policy and Plan was developed through an extensive consultation process of talking and exploring with the community. The objective of this plan is to articulate how the City, along with it's community, will acknowledge, enhance, celebrate, promote and further develop the important elements the community values about its history and heritage, lifestyle and culture.

1. CULTURAL DIVERSITY AND LOCAL IDENTITY

The City of Kwinana believes that our community is a place where cultural diversity is acknowledged and celebrated, where people get involved at many levels with cultural and arts activities, and where people have a strong sense of local identity.

2. CULTURAL HERITAGE AND A SENSE OF PLACE

The City of Kwinana recognises that our unique heritage is strongly valued, and is the basis on which the current community builds a sense of place. All efforts are taken to record, preserve and share Kwinana's history and cultural heritage.

The City of Kwinana will stimulate cultural and economic growth in Kwinana by maximising opportunities for cultural tourism and cultural enterprise development.

4. CULTURE AND THE NATURAL ENVIRONMENT
