

## **PUBLIC NOTICE**

### **City of Kwinana**

### *Feral Animal Control Program*

The City of Kwinana will be undertaking feral animal control between June and September 2020, in City of Kwinana managed Conservation Reserves. Feral animal control will be focused on the Red fox. Control will be carried out by trained professionals with appropriate pest license, permits and associated qualifications required under the Animal Welfare Act of 2002 and the Biosecurity and Agriculture Management Act (BAM Act).

During this time signage where control is being carried out will be visible at major entry points to reserve. Pet owners can assist by keeping dogs on a leash in conservation reserves.

Further information can be obtained by contacting the City of Kwinana on 9439 0200.
